

Howard University Counseling Psychology Program hosts...

## Living Your Vision of Success

Join Dr. Nicole Cutts Clinical Psychologist, Success Coach, Organizational Consultant and author of *The Adventures of Isabelle Book I* for this dynamic discussion.

HU graduate and Founder, Vision Quest Retreats Nicole Cutts will share her professional experience and story of how she came to be living her vision of success; doing work she loves. After a few twists, turns and pitfalls on the journey she has been united with her passion and wants to help you do the same. Come by, join the discussion and share YOUR story.

**Learn how to follow your bliss, overcome obstacles and live your vision of success!**
