## NICOLE CUTTS, PH.D

is a success coach, workshop leader and keynote speaker. A licensed clinical psychologist, yogi, master facilitator and author, Dr. Cutts empowers individuals to find their life's work and unleash the true potential within. If you've ever wished to have your life's purpose or direction revealed to you, or you already know the direction and purpose of your life but wish for a guide to aid you along your journey, your time is now. Dr. Cutts can help you come away with greater clarity about your life's work and the motivation to achieve your vision of success.

Dr. Cutts presents keynotes, breakout sessions and workshops at conferences, women's groups and Fortune 500 company events around the world. Her audiences have included: Verizon, BET Networks, Pepco, British Broadcasting Corporation (BBC), Women's Association of Verizon Employees, The US Department of Labor, The Defense Threat Reduction Agency, Federal Housing Finance Board, Bread for the City, The Girlfriends, Inc., and many, many more...
